Public Utilities

FORTNIGHTLY

Index to Volume 57

Including the Issues of January 5, 1956
to June 21, 1956

PUBLIC UTILITIES REPORTS, INC.
WASHINGTON, D. C.

INDEX

To Vol. 57 of *Public Utilities Fortnightly*

Pages by Issue

January 5, 1956	Pages	1 to 72	April 12, 1956	Pages	505 to 576
January 19, 1956	"	73 to 144	April 26, 1956	"	577 to 648
February 2, 1956	"	145 to 216	May 10, 1956	"	649 to 720
February 16, 1956	"	217 to 288	May 24, 1956	"	721 to 792
March 1, 1956	"	289 to 360	June 7, 1956	"	793 to 880
March 15, 1956	"	361 to 432	June 21, 1956	"	881 to 952
March 29, 1956	"	433 to 504			

Subject Index

ACCOUNTING
- Contribution accounting, 755.
- FPC tax accounting may set pattern, 459.
- Gas consumer's stake in depletion tax provision, 587.
- Interest during construction credit challenged, 915.
- Reproduction cost in balance sheet, 848.

ALABAMA
- Coosa river development—past and proposed, 818.

AMERICAN PUBLIC WORKS ASSOCIATION
- Getting utilities together with the city engineers, 896.

APPEAL AND REVIEW
- Attorney general appeal from commission order, 345.

ARCHAEOLOGY
- Partnership with pipeliners, 620.

ATOMIC ENERGY
- AEC special counsel, 34.
- Basic danger in "A" power program, 73.
- Chart—nuclear power plant cycles, 178.
- Coal industry and atomic power, 881.
- Comparison with hydro and steam generation, 594.
- Green light on atomic power, 757.
- Insurance, 472, 611, 838, 905.
- McKinney report on, 323.
- New England atom plant, 318.
- Private and public power controversy, 617.

ATOMIC ENERGY—Cont'd
- Progress reported in obtaining electricity direct from, 911.
- Reactor development—slow progress, 176.
- Reactor plants—comparative data, 180.
- Security aspects of atomic industry, 263.
- States discover the atom: a new frontier, 814.
- Table—"second round" atomic reactor projects, 759.

CALIFORNIA
- Radio network turned over to Western Union, 320.

CANADA
- Boom in natural gas industry, 46.
- Gas line problems, 603, 906.

CAPITAL
- Bonds weaken, money tight, 611.
- Common stocks affected by rising money rates, 683.
- Rising money rates penalize current borrowers, 685.
- Trends in utility financing, 577.

CHARTS
- Electricity—major electrical appliance saturation by areas, 327.
- Electricity—per capita use by areas, 327.
- Electricity—regional capabilities and peak loads, 1954–1959, 912.
- Gas—analysis of retail rates, 108.
- Gas—construction outlays and capital structure, 465, 467.
- Gas-heated homes, 39.
- Gas—industry growth, 761.

CHARTS—Cont'd
Gas—natural gas consuming areas, 541.
Gas—Peoples proposed new pipeline, 539.
Gas—production by states, 108.
Gas—relation to other energy sources, 109.
Nuclear power plant cycles, 178.
Population growth by states, 1940–1954, 247.
Trend of new-money financing, 1954–1956, 405.
Yields on utility securities, 610, 682, 684.

CIVIL DEFENSE
Operation alert, 810.

COAL
Atomic power and the coal industry, 881.

COMMISSIONS
Authority to fix price of stock issue, 58.
Craven to the FCC, 908.
FCC procedure simplified, 321.
Managerial discretion as to expenses, 705.
Oklahoma rules on accelerated depreciation, 193.
Power of attorney general to appeal commission order, 345.

COMMUNICATIONS
AT&T trust suit settled, 240.
British report hints at rate boost, 462.
Contribution accounting, 755.
FCC chief warns of censorship, 537.
FCC time limit on Bell radio applications, 460.
Hush-a-phone ban upheld, 101.
IT&T gain in electronics, 174.
Office of Defense Mobilization to conduct spectrum study, 36.
Proportion of farms with telephones, 35.
REA revamps phone program areas, 605.
Senate airs TV problems, 319.
Volume line rate case expanded, 678.

CONGRESS
AT&T probe possible, 677.
Atomic insurance bill, 905.
Bills, 239, 457.
Developments, 172.
FCC procedure simplified, 321.
Gas consumer's stake in depletion tax provision, 587.
Gas lobby investigation, 399.
Harris-Fulbright bill maneuvering, 32, 98, 169.
Hell's Canyon bill, 317, 400.
Highway relocation seems assured, 751.
Ike's key appointments, 904.
Indirect legislation via committee report, 673.
Keeping business and politics straight, 370.
Niagara bill passed by Senate, 836.
Niagara power stalled, 907.
Outlook for public utilities—1956, 1.
Political interests of utility stockholders, 310.
Power policy politics, 550, 601.
SAGE program checked, 461.
Senate probe of gas bill, 675.

CONGRESS—Cont'd
Television problems aired by Senate, 319.
TVA funds, 533, 602, 837.
Upper Colorado project—Reaction to House passage, 477.
Water resources policy report, 382.

CONSTRUCTION AND EQUIPMENT
EEI forecast of construction and peak loads, 1956–1959, 911.

CONSUMERS AND PATRONS
Attitudes towards utilities, 230.
Gas producer exemption, 624.
Public relations for municipally owned utilities, 161.
Public relations practices, 80.

CONTRACTS
Filing tariff to change contract rate, 489.
Right-of-way man—friend maker, 525.

CO-OPERATIVES
Administration power policies and practices criticized, 238.
Gas industry alerted, 100.
Oregon co-op votes to sell out, 676.
Telephone co-op sale appealed, 840.
Weaknesses of, 122.

CORPORATIONS
Payments to affiliates for services, 937.

COST OF CAPITAL
See Return.

CRAVEN, T. A. M.
Appointment to FCC, 908.

DEPLETION TAX PROVISION
Gas consumer's stake, 587.

DEPRECIATION
Accelerated depreciation, 193, 680, 763.
Advantages and disadvantages of various methods, 253.
Depletion allowance battle in Congress, 398.
Gas consumer's stake in depletion provision, 587.

DISCRIMINATION
Fair play and the pocketbook in electric industry, 793.
Government discrimination against electric utility, 689.

DIVIDENDS
Table—estimated 1956 earnings and dividends for 25 utilities, 106.

EARNINGS
See also Return.
December earnings figures favorable, 543.
Difficulties with some interim earnings reports, 246.
Merchandising revenues and expenses, 417.
Net income of natural gas companies up 15.5 per cent, 245.
Outlook for natural gas, 668.
Table—estimated 1956 earnings and dividends for 25 utilities, 106.

PUBLIC UTILITIES FORTNIGHTLY INDEX

ECONOMICS
- Analyzing credit for interest charged to construction, 248.
- Budgeting public works projects, 924.
- Foreign case histories in socialist experiments, 766.
- Highlights of 1955 reports to stockholders, 842.
- Prime power, 119.
- Realistic regulation in Florida's expanding economy, 441.
- Rising costs in gas distribution industry, 113.
- Water resources policy, 332.

EDUCATION
- Business and colleges, 88, 449.
- Challenge of the legal profession, 800.
- Public attitudes towards utilities, 230.

ELECTRICITY
- Atomic power program—basic danger, 73.
- Chart—per capita use of electricity by areas, 327.
- Chart—regional capabilities and peak loads 1954–1959, 912.
- Chart—saturation of major electrical appliances by areas, 327.
- Comparison of hydro, steam, and atomic reactor generation, 594.
- Decade of electric utility financing summarized, 686.
- EEI forecast of construction and peak loads 1956–1959, 911.
- Efficiency of nationalized British electric industry, 289.
- Fair play and the pocketbook, 793.
- Generators near coal mines cut power cost sharply, 403.
- Government discrimination against electric utility, 689.
- Industry highlights for 1955, 41.
- Maine's power embargo repealed, 150.
- Mexicans hear criticism of U.S. power policy, 626.
- Municipal ownership loses, 853.
- Off-peak power sales, 824.
- Operation alert, 810.
- Oregon co-op votes to sell out, 676.
- Political interests of stockholder, 310.
- Power and politics, 550.
- Progress reported in obtaining electricity direct from atomic energy, 911.
- Rewiring "finance plans" stimulate residential use, 244.
- Saturation of major electrical appliances still low, 326.
- Service to trailer parks, 129.
- States discover the atom: a new frontier, 814.
- Survey of commuting patterns, 482.
- Table—data on electric utility stocks, 110, 250, 407, 544, 686, 848.

EMPLOYEES
- Charging for service to officers and employees, 777.

EMPLOYEES—Cont'd
- Public relations build better regulatory climate, 732.
- Right-of-way man—a friend maker, 525.
- Transit bargaining agreement, 887.

EXPENSES
- Gas distribution industry, 113.
- House approves TVA spending, 533.
- Managerial discretion, 705.
- Merchandising revenues and expenses, 417.
- Payments to affiliates for services, 937.

FEDERAL GOVERNMENT
- Challenge of the legal profession, 800.
- Coosa river development—past and proposed, 818.
- Discrimination against electric utilities, 689.
- Eisenhower decision to run again, 456.
- Eisenhower state of union message, 171.
- Ike's key appointments, 904.
- Interior looks toward elections, 118.
- Interior rejects Italian company bid, 318.
- Public works projects and the budget, 924.
- Water resources policies and politics, 929.

FEDERAL POWER COMMISSION
- Chairman's views on gas producer control, 770.
- Filing tariff to change contract rate, 489.
- Gas bill agreement sought, 752.
- Gas items, 676.
- Harris-Fulbright veto poses question, 361.
- Notice to producers, 534.
- Permanency of gas producer regulation, 505.
- Producer cases, 170.
- Producer exemption in consumer's interest, 13.
- Rule on reporting by gas producers, 838.
- Tax accounting may set pattern, 459.

FINANCES
- Analyzing credit for interest charged to construction, 248.
- April utility financing, 762.
- Calendar for utility financing, 401.
- Chart—monthly trend of new-money financing, 1954–1956, 405.
- Chart—yields on utility securities, 682, 684.
- Commission authority to fix price of stock issue, 58.
- Decade of electric utility financing summarized, 686.
- Decline of utility financing in 1955, 182.
- Electric rewiring "finance plans" stimulate residential use, 244.
- Financial aspects of natural gas bill fight, 109.
- Highlights of 1955 reports to stockholders, 842.
- IBA report on utility financing, 42.
- Income bonds revisited, 517.
- January public financing at low ebb, 329.
- Money turns tight, bonds weaken, 611.
- Natural gas companies, 463.
- Outlook for natural gas earnings, 668.
- Political interests of utility stockholder, 310.
- President of New York Stock Exchange urges more equity financing, 608.

FINANCES—Cont'd
REA's largest phone loan, 909.
Rising money rates penalize current borrowers, 685.
Table—current yield yardsticks, 105.
Table—December utility financing, 181.
Table—February utility financing, 469, 543.
Table—first quarter financing, 612.
Table—March utility financing, 613.
Table—utility financing—1955, 249.
Trends in utility financing, 577.
Value of regional annual meeting, 217.
Wall street utility analyses published recently, 406.

FLORIDA
Municipal ownership loses, 853.
Realistic regulation in expanding economy, 441.

FULBRIGHT BILL
See Harris-Fulbright bill.

GAS
Agreement on regulatory problems sought, 752.
Alabama gas may not sell plants to municipalities, 685.
Battle of the "loophole," 398.
Bottled gas—advance guard of utility service, 145.
Canadian natural gas industry, 46, 603.
Chart—analysis of retail gas rates, 108.
Chart—gas in relation to other energy sources, 109.
Chart—growth of gas utility industry, 761.
Chart—homes heated with gas, 39.
Construction outlays and capital structure, 465, 467.
Consumer desire for producer exemption, 624.
Co-operatives grow, 100.
Depletion tax provision, 398, 587.
Eisenhower decision to run again, 456.
Expansion plans of Tennessee Gas *versus* Peoples Gas, 538.
Financial aspects of natural gas bill fight, 109.
Financing—natural gas companies, 463.
FPC—chariman's views on producer control, 770.
FPC—gas items, 676.
FPC—producer regulation, 99, 505, 534, 838.
Harris-Fulbright bill, 32, 98, 169, 236, 315, 361, 410, 547.
Industry expansion despite regulatory impasse, 37.
Lobby investigation, 399.
Map—gas production by states, 108.
Map—natural gas-consuming areas, 541.
Map—Peoples Gas proposed new pipeline, 539.
Net income of natural gas companies up 15.5 per cent, 245.
New bill rumors, 604.
Outlook for natural gas earnings, 668.

GAS—Cont'd
Producer exemption in consumer's interest, 13.
Producers view future after Harris-Fulbright defeat, 547.
Regulation of producers continuing question, 185.
Reserves increase to 224 trillion cf, 540.
Rising costs in distribution industry, 113.
Senate probe of gas bill, 675.
Table—financial stock data, 43, 182, 329, 469, 614, 763, 917.
Veto of Harris-Fulbright bill, 315, 361, 410.

GOVERNMENT POWER
Advocates and socialism, 120.
Budgeting public works projects, 924.
Coosa river development—past and proposed, 818.
Developments and the preference clause, 104.
Hell's Canyon chances dim, 400.
Natural resources issue can be won by private enterprise, 920.
Niagara bill passed by Senate, 836.
Niagara power stalled, 907.
Private and public atomic energy controversy, 617.
TVA and its overzealous friends, 628.

GREAT BRITAIN
Efficiency of nationalized electric industry, 289.

HARRIS-FULBRIGHT BILL
Backstage battle, 32.
Effect of presidential veto, 315.
Financial aspects, 109.
Gas fight shapes up, 98.
Producers view future after bill defeat, 547.
Senate refuses to shelve, 236.
Veto reaction, 361, 410.

HELL'S CANYON BILL
Agitation in Congress, 317.
Chances dim, 400.

HISTORY
Current foreign case histories in socialist experiments, 766.
Decade of electric utility financing summarized, 686.
"Partnership" in water resources development, 433.
Right-of-way purchasing, 525.

INDUSTRY
Atomic industry—security aspects, 263.
Atomic power and coal, 881.
Bottled gas—advance guard of utility service, 145.
College—business exchange program, 449.
Colleges ask business for money, 88.
Dynamic economics of prime power, 119.
Foreign case histories in socialist experiments, 766.
Getting utilities together with city engineers, 896.
Human relations in the utility business, 25.

INDUSTRY—Cont'd
Insurance needs for atom industry, 472.
Merchandising by public utilities, 273.
Off-peak power sales, 824.
Operation alert, 810.
"Partnership" in water resources development, 433.
Public relations builds better regulatory climate, 732.
"Rapid growth" states, 246.
States discover the atom: a new frontier, 814.
Utility interest in the development of solar energy, 760.
Water resources policy, 332.

INSURANCE
Atom industry, 472, 611.

LABOR
Southern Bell strike losses, 461.
Strike firings reviewed, 910.
Transit bargaining agreement, 887.
Wage-hour hearings, 754.

LEGISLATION
Atomic development insurance, 905.
Bills in Congress, 239, 457.
Consent decrees—bill to limit, 910.
Gas producer exemption in consumer's interest, 13.
Harris-Fullbright bill, 32, 40, 169.
Hell's Canyon bill, 317, 400.
Highway relocation, 679, 751, 908.
Indirect legislation via committee report, 673.
New gas bill rumors, 604.
New York rate base bill loses, 536.
Niagara bill passed by Senate, 836.
Niagara power stalled, 907.
Outlook for public utilities—1956, 1.
Power policy politics, 601.
Predictions of events for 1956, 7.
Reaction to House passage of upper Colorado project, 477.
Wage-hour hearings, 754.

LOBBYING
Senate probe of gas bill, 675.

MAINE
Repeal of power embargo, 150.

MANAGEMENT
Charging for service to officers and employees, 777.
Discretion as to expenses, 705.
Income bonds revisited, 517.
Keeping business and politics straight, 370.
Payments to affiliates for services, 937.
Public relations build a better regulatory climate, 732.
Rate making and managerial efficiency, 561.
Regulatory freedom and the railroads, 655.
Right-of-way man—a friend maker, 525.
Transit bargaining agreement, 887.
Utility forecaster has no crystal ball, 302.
Value of regional annual meeting, 217.

MERCHANDISING
Chart—saturation of major electrical appliances by areas 327.
Public utility merchandising, 273.
Revenues and expenses, 417.
Saturation of major electrical appliances still low, 326.

MEXICO
Power expansion, 51.
Telephone expansion, 841.
U. S. power policy criticized by speaker, 626.

MONOPOLY AND COMPETITION
AT&T trust suit settled, 240.
Government discrimination against electric utilities, 689.
Regulated monopoly in the public utility field, 633.

MUNICIPALITIES
Alabama gas may not sell plants to, 685.
Florida municipal ownership loses, 853.
Special aspects of municipal utility ownership, 856.

MUNICIPAL PLANTS
Memphis plans power plant, 97.
Public relations start at home, 161.

NEWS ITEMS
March of events, 55, 124, 196, 266, 342, 415, 484, 557, 629, 701, 774, 861, 932.

NEW YORK
Coast-to-coast telephone dialing, 320.
Rate base bill loses, 536.

OKLAHOMA
Accelerated depreciation ruled upon, 193.

OREGON
Co-op votes to sell out, 676.

PIPELINES
Depletion allowance battle in Congress, 398.
Map—Peoples Gas proposed new pipeline, 539.
Partnership with archaeologists, 620.

POLITICS
Outlook for public utilities—1956, 1.

PRIVATE ENTERPRISE
Challenge of the legal profession, 800.
Coosa river development—past and proposed, 818.
Natural resources issue can be won by, 920.
Niagara power stalled, 907.

PROCEDURE
FCC procedure simplified, 321.
Gas producer case, 99.

PRODUCERS
Consumer desire for gas exemption, 624.
Federal Power Commission, 170, 534.
FPC rule on reporting, 838.
Gas exemption in consumer's interest, 13.
Permanency of FPC gas regulation, 505.

PRODUCERS—Cont'd
Reaction to Harris-Fulbright bill defeat, 361, 547.
Regulation a continuing question, 185.
Views on producer control—FPC chairman, 770.

PROGRESS OF REGULATION
Review of current cases, 60, 130, 203, 276, 348, 419, 491, 564, 634, 707, 779, 867, 939.
Trends and topics, 58, 129, 201, 273, 345, 417, 489, 561, 633, 705, 777, 865, 937.

PUBLIC POWER
See Government Power.

PUBLIC RELATIONS
Building better regulatory climate, 649, 732.
Business money for colleges, 88.
College—business exchange program, 449.
Fish conservation experts and utility work together, 858.
Getting utilities together with city engineers, 896.
Human relations in utility business, 25.
Keeping business and politics straight, 370.
Municipally owned public utilities, 161.
Public attitudes towards utilities, 230.
Right-of-way man—a friend maker, 525.
TV telephone sales, 606.
Utility practices, 80.
Value of regional annual meeting, 217.

PUBLIC UTILITIES
Efficiency of nationalized British electric industry, 289.
Forecasters have no crystal ball, 302.
Getting together with city engineers, 896.
Human relations, 25.
Merchandising, 273.
Mexican power expansion, 51.
Monopoly in public utility field, 633.
Municipal utility ownership, 856.
Outlook for 1956, 1.
Predictions of events for 1956, 7.
Regulation in Florida's expanding economy, 441.
Results of 1955 prophecy, 3.
State-owned utilities in Sweden, 222.

RADIO AND TELEVISION
Bell system program, 606.
California turns over radio network to WU, 320.
Community antenna service held telephone company, 243.
Craven appointed to FCC, 908.
FCC—chief warns of censorship, 537.
FCC—more television wanted, 242.
FCC—time limit on Bell radio applications, 460.
ODM to conduct spectrum study, 36.
Senate airs TV problems, 319.

RAILROADS
Managerial freedom and the railroads, 655.

RATE BASE
Fair rate of return on, 739.
Rate base bill loses in New York, 536.
Reproduction cost in balance sheet, 848.
Return related to rate base theory, 201.
Test of fair return provisions, 721.

RATES
Bell-USITA toll agreement, 839.
British communication report hints at rate boost, 462.
Fair play and the pocketbook in electric industry, 793.
Fair rate of return, 739.
Filing tariff to change contract rate, 489.
Getting utilities together with city engineers, 896.
Houston drops rate case, 606.
Managerial efficiency and rate making, 561.
New York Telephone's rate case, 101, 756.
Public relations build better regulatory climate, 649.
Relating rate base to the fair rate of return, 721.

REGULATION
Coosa river development—past and proposed, 818.
Fair rate of return, 739.
FCC procedure simplified, 321.
Filing tariff to change contract rate, 489.
Florida's expanding economy, 441.
Gas bill agreement sought, 752.
Gas producers—a continuing question, 185.
Harris-Fulbright veto poses question, 361.
Managerial efficiency and rate making, 561.
Managerial freedom and the railroads, 655.
Monopoly in the public utility field, 633.
Nationalized British electric industry efficiency, 289.
Outlook for public utilities—1956, 1.
Permanency of FPC gas producer regulation, 505.
Predictions of events for 1956, 7.
Public relations build better regulatory climate, 649.
Rate base as test of fair return provisions, 721.
Results of 1955 prophecy, 3.
State-owned utilities in Sweden, 222.
States discover the atom: a new frontier, 814.
Water resources policy, 332.

REGULATORY TRENDS
See Trends and Topics.

RETURN
Fair rate of return, 739.
Income bonds revisited, 517.
Outlook for natural gas earnings, 668.
Rate base as test of fair return provisions, 721.
Related to rate base theory, 201.

RURAL ELECTRIFICATION ADMINISTRATION
Co-operative loan denied, 103.
Largest phone loan, 909.
Telephone program areas revamped, 605.
Telephone progress noted, 175.

SECURITIES
Chart—yields on utility securities, 610, 682, 684.
Commission authority to fix price of stock issue, 58.
Highlights of 1955 reports to stockholders, 842.
Income bonds revisited, 517.
Natural gas companies, financing, 463.
Political interest of utility stockholder, 310.
President of New York Stock Exchange urges more equity financing, 608.
Stock market forges ahead, 543.
Table—current yield yardsticks, 105, 246, 685.
Table—data on electric utility stocks, 110, 250, 407, 544, 686, 848.
Table—data on gas, telephone, transit, and water stocks, 43–45, 182–184, 329–331, 469–471, 614–616, 763–765, 917–919.
Table—scheduled utility issues for 1956, 403.
Trends in utility financing, 577.
Utility common stocks affected by rising money rates, 683.

SERVICE
Bottled gas—advance guard of utility service, 145.
Business ideal and community progress, 480.
Charging for service to officers and employees, 777.
Electric service to trailer parks, 129.
Fair play and the pocketbook in electric industry, 793.
Mexico's phone expansion, 841.
Off-peak power sales, 824.
Utility forecaster has no crystal ball, 302.
Woodpecker—telephone utility problem, 622.
Zoning ordinances in plant construction, 865.

SOUTH CAROLINA
Lyles Ford Tri-County Power Authority abolished, 851.

STATES
Atomic power: a new frontier, 814.
Chart—population growth, 1940–1954, 247.
Map—gas production by states, 108.
"Rapid growth" states, 246.

STRIKES
Firings reviewed, 910.
Southern Bell losses, 461.
Transit bargaining agreement, 887.

SWEDEN
State-owned utilities and their regulation, 222.

TABLES
Current yield yardsticks, 105, 246, 685.
Data on electric utility stocks, 110, 250, 407, 544, 686, 848.

TABLES—Cont'd
Data on gas, telephone, transit and water utility stocks, 43–45, 182–184, 329–331, 469–471, 614–616, 763–765, 917–919.
December utility financing, 181.
